

Sharing with you a story of change in the life of Shaiba, a student at one of our Mission Education Centre.

Shaiba is a 4 year old who has joined school at Smile Foundation's Mission Education centre - Empowering Minds in Ghaziabad. Due to ill health, her father lost his job recently. Her mother, who now goes for daily waging to run the family, is hopeful that education will shape Shaiba's future. And we are hopeful too.

Shaiba is among the 200 children of small-time labourers who are currently studying at the centre and are provided with quality education and nutrition every year.

This has been possible with your commitment and a responsible individual like you and hence, we take this moment to thank you for all your kind support towards the lesser privileged.

To help them continue their education, please visit: smilefoundationindia.org/me
