

## MY SHIKSHA STORY

Khushboo, Mission Education Centre - Patahi, Sevri Nagar in Bihar

"My parents were never able to give me a hunger-free day. I couldn't go to school because of discrimination. Nobody in my family, including my parents or my husband, stepped in a school. I do not want my daughter's life to be as miserable as mine! So no matter how hard we struggle, I will never let my daughter stop her study. Despite of hundred odds, I have promised her to never give up!"
