

MY SHIKSHA STORY

Niraj's Mother, Mission Education Centre - AGYVS in Muzaffarpur, Bihar

"We live in poverty. Since birth, my son has faced hardships, hunger and scarcity of necessities on a daily basis. My husband and I work on daily wages to survive. Our only son Niraj inspires us – to never give up, to live and to smile. He is now in class 5, confident and happy. Nothing brings more joy to my heart than seeing him getting ready and going to school every morning. I am sure that education will transform his life. And he will transform ours."
